COLES COUNTY ELECTRONICS RECYCLING EVENT

Certain electronics can be properly recycled at Lake Land College, Mattoon, IL on Saturday, April 2nd, 2022, from 8:00 a.m. to 1:00 p.m.

Coles County will hold an electronics recycling event at Lake Land College, 5001 Lake Land Blvd., Mattoon, IL on Saturday, April 2nd, 2022, from 8:00 a.m. to 1:00 p.m. The event will end when semis are full or 1:00 p.m., whichever comes first. Participants should register for the event using the registration service found at www.co.coles.il.us/events/. Doing so guarantees semi space for each registrant. Participants should enter at the north entrance near the gas station. From there, follow the campus road on the right to circle the campus and enter the staging area near the Vo Tech Building and Webb Hall. This event is open to all Coles County residents. Proof of county residency is required.

Accepted items include computers, computer monitors*, televisions*, printers, fax machines, scanners, DVD players and recorders, VCRs, video game consoles, digital converter boxes, cable receivers, satellite receivers, electronic keyboards and mice, small-scale servers, portable digital music players (memory capability & battery powered). Computers are defined as desktops, laptops, notebooks, netbooks, and tablets.

*\$10 cash only fee for each TV and Monitor with a total limit of 7 (seven).

Consumers can help close the loop of production by introducing stored electronics into the recycling system and back into the manufacturing sector.

Please consider volunteering at this event. Additional information or questions regarding the event can be answered by visiting our website or by contacting Sarah Mummel by phone or email.
